2nd IISFC – Hyderabad, India, November 03-07, 2014

Introduction :

The 2nd Indian International Symposium on Fluorine Chemistry is scheduled in India. It will be held on November 03-07, 2014 at CSIR-IICT, Hyderabad. The conference will feature the versatility of fluorine in organic, inorganic, pharmaceutical, strategic fluorochemicals and materials.

Scientific Scope :

The objective of this conference is to create a forum for the members of the National and International scientific community engaged in fluorine chemistry to come together and share their ideas and experiences. The impact of fluorochemicals in our day-to-day life particularly for sustainable development in medicine, health, energy and environment sectors will be covered.

Date and Venue :

November 03-07, 2014

CSIR-IICT Auditorium,

CSIR- Indian Institute of Chemical Technology,

Tarnaka, Hyderabad-500007, India.

Language :

The official language of the conference is English
